

**RECOMMENDATION FOR DRAFTING
RESEARCH FOR PUBLICATION
IN ROMANIAN JOURNAL OF PHYSICAL THERAPY**

By publishing a paper, the copyright goes to the journal and as such the work cannot be sent for publication, in whole or in part, to another journal, except with the approval of the editorial board. Also, the journal does not publish works appearing in other magazines in the country or abroad. Articles are subject to assessment process / review 'peer review'.

The principles underlying the drafting work ethics, rules, norms and practices ethical and aesthetic. To achieve uniform appearance and to ensure outfit scientific journal articles, the editorial team recommended magazine contributors consider aspects will be presented.

Drafting articles generally comply with recommendations made by the International Committee of Editors of Medical Journals (www.icmje.org).

The full papers will be prepared entirely in English or French and will be preceded by a summary in the language is written the article, and a summary in Romanian. For foreign authors, full papers and summary will be sent in an international language (English or French).

The paper will have 4-8 pages, including illustrations, tables and graphs. It will be processed with spaces for one row, justified, written in Office Word, Time New Roman, font 12, format A4, with borders: top 2 cm, bottom 2 cm, left/inside 2,5cm, right/outside 2cm.

The paper will be submitted to the editorial team in two printed copies, the address of a copy editor and through electronic mail address of the publication.

Editorial team of collaborators recommends the following structure of the manuscript: pages will be numbered centrally below in the following order:

page 1 - paper title (in Romanian and English or French);

page 2 - name and full name of authors, Times New Roman, font 14, italic, vaulted, italic, aligned right, followed by occupation, educational and scientific degree. Author's affiliation will be written in footnote (1,2) in the bottom of the page. Also will be offered and personal information of the first author of that contact (name, surname, institution, address, phone, email address);

page 3 - keywords (in Romanian and English or French) and abstract (in English or French); (foreign authors will use an international language for abstract and keywords).

page 4...n - text work, including illustrations, tables, graphs, discussion, conclusions, bibliography;

The work must meet the requirements of scientific standards and format for researchers.

Depending on the recipients work, protocol differs significantly, with an academic character, the popular, scientific or informal.

Paperwork will be structured as follows:

Title of paper (in Romanian, English or French)

Keywords (in Romanian, English or French)

Abstract (in English or French)

The paper, including illustrations, tables, graphs

Discussions and conclusions
